Snacks

Most of us have too much fat in our diets – that's why we offer many good choices for a delicious Less Fat savory snacks, that are produced using state-of-the-art technologies. Snacks are extruded and roasted under high temperature without any fats! Snacks are sprayed with high quality vegetable oil-spices mix – this allows us to obtain a perfect taste product having from 9% to 26% fats only!

As an ingredient is used sea salt, substituting 60% of sodium by potassium and magnesium – these micro elements are particularly important for the activity of the heart, blood-vessel, bone, muscle and nervous system. **Join our Less Fat World!**
